Bonifacio High Street is a kilometer long lifestyle destination traversing the heart of Bonifacio Global City. Beginning with The Shops at Serendra, Bonifacio High Street creates an enhanced walking experience with unique, highly urban encounters: a panorama of retail and entertainment; interactive art and play pieces; abundant landscapes and open spaces.

This vibrant lifestyle spectrum culminates in BGC's landmark address, One Bonifacio High Street. A mixed-use development bringing together retail shops, an office building, and The Suites, each destination's design elements complement the whole-a setting of iconic, timeless elegance.

Leechiu Property Consultants, as the appointed exclusive agent, is pleased to present this opportunity to lease an exclusive and private Sky Villa in the iconic single tower residential development.
